HISTORICAL PERSPECTIVE

There have been certain rather well-defined trends in the last quarter- century.... First, the curriculum was subject-matter-centered; then it became teacher-centered; and now it is **student-centered**.

- WJ Haggerty, *The School Review*

1938

CURRENT TRENDS

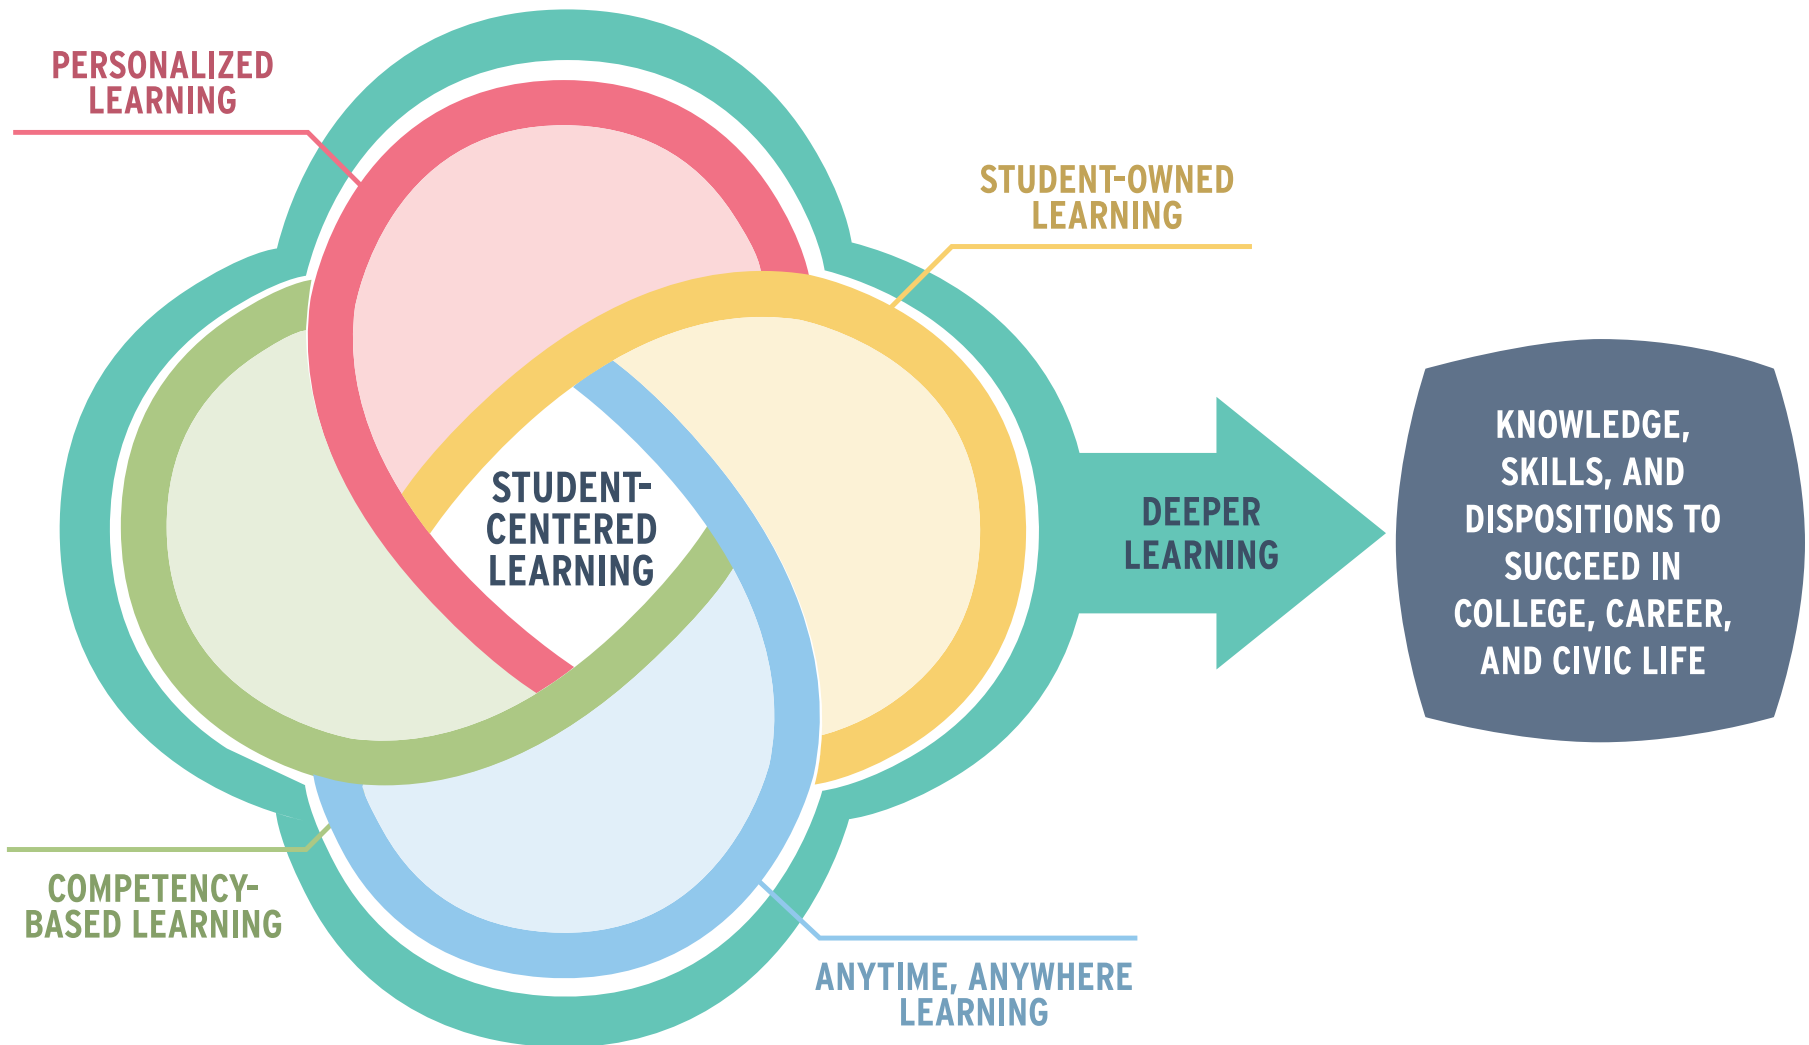

- Improved research on learning & motivation
- New technologies
- New economic realities
- Political will & momentum
- Much more clarity as to what's meant by "student-centered"
