

# Reporting on Minority-Serving Institutions

- ✓ Identify MSIs and “emerging” MSIs in your area.
- ✓ Look at how MSIs have used their federal funding.
- ✓ Evaluate ROI: What students, surrounding communities and society at large get in return.
- ✓ Use academic research to fact-check claims, provide broader context, identify story angles and evaluate program/policy effectiveness.

### 3 reports: A broad overview

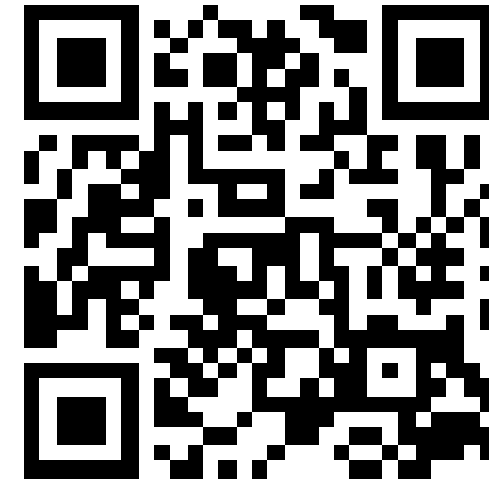

(CREDIT: California State Polytechnic University, Humboldt)

- **“Programs for Minority-Serving Institutions Under the Higher Education Act,”** (2023) Congressional Research Service.
- **“Federal and State Funding for Minority-Serving Institutions,”** (2024) State Higher Education Executive Officers Association.
- **“Minority Serving Institutions: America's Underutilized Resource for Strengthening the STEM Workforce,”** (2018) National Academies of Sciences, Engineering, and Medicine.

**Hispanic-serving institutions: A primer with story ideas and guiding questions**

**6 tips for covering tribal colleges and universities**

# Scholars in the field
